

Story Sacks @ Glynwood Primary

We will

- Make lots of resources for our story sack
- Look at ways of developing your child's speaking and listening
- Be creative with reading/writing and look at the skills involved
- Share ideas, meet new people and have fun in a relaxed environment.

Please bring your child's favourite book with you to the first session.

This course runs for 4 weeks, 9.00-10.30am, beginning Friday 18th January 2019, ending 8th February 2019. The majority of the session is for adults, where we can work together to make a fun, interactive story sack to take home to use with your child. Your children will join us near the end of the session where you can work together as a family, playing games and trying out the resources we have made.

This course is designed for parents, carers & grandparents.

There are 15 available places so please complete, tear off and return to Reception or Nursery Staff by Wednesday 16th January to secure a place.
